

THE SUZUKI

S-CROSS

RANGE BROCHURE

Hi!

**INNOVATIVE, RELIABLE, FUN, WITH FORWARD THINKING
TECH AND POWERFUL PERFORMANCE AT THEIR HEART.
SIMPLY PUT, THE BEST DRIVE AROUND. SINCE 1955, WE'VE
KEPT OUR EYES ON THE ROAD TO BUILD CARS THAT WOW.**

From great value, fun to drive small cars to capable SUVs with ALLGRIP 4-wheel drive*, the Suzuki range has got you covered. And there's a range of dynamic Hybrid options to choose from. Whichever model you choose, the fun Suzuki personality shines through, so when you're behind the wheel of a Suzuki, you're in a happy place.

At Suzuki, we know car ownership isn't just about the car. That's why we're proud to have a brilliant network of dealers who excel in customer satisfaction and will be with you every step of the way.

Test drive a Suzuki and experience our unbeatable blend of performance, dependability and safety features. Make your drive one to remember.

A dark blue Suzuki S-Cross is shown from a front-three-quarter view, driving on a wet, winding road. The car is splashing water, and its headlights are on. The background is a dense forest of tall evergreen trees. The car's license plate area reads 'SX4 S-CROSS'.

LET'S

GO

YOU KNOW THAT THING YOU'VE ALWAYS WANTED TO DO? YES YOU DO. THAT THING. WHATEVER IT IS, CLIMB INTO THE S-CROSS AND MAKE IT HAPPEN.

Meet the S-Cross: the Suzuki crossover. Strong SUV styling and practicality, combined with a powerful turbocharged engine and our HYBRID system makes every journey more efficient* – and more enjoyable. Along with ALLGRIP 4-Wheel Drive technology**, advanced safety features and plenty of space, it's the perfect combination of comfort and capability.

Make every journey count with the S-Cross.

*Compared to the equivalent outgoing model without hybrid and using the official WLTP combined fuel consumption and CO₂ emissions figures.
**ALLGRIP 4-wheel Drive system is available as an option on SZ5 models only.

A dark blue Suzuki S-Cross is shown from a front-three-quarter perspective, driving on a multi-lane highway. The car is in motion, with a blurred background suggesting speed. The scene is set during sunset or sunrise, with warm, golden light illuminating the car and the road. The highway has a metal guardrail on the left and a concrete barrier on the right. The car's headlights are on, and its license plate area displays 'S-CROSS' and 'SX4'.

HELLO, HYBRID

**AT SUZUKI, WE'RE ALWAYS INNOVATING.
WE'RE ALWAYS LOOKING FOR WAYS TO
MAKE YOUR DRIVE ONE TO REMEMBER.**

It's this spirit of innovation that led us to our self-charging HYBRID system. It helps reduce CO₂ emissions and improve fuel efficiency*, without the fuss of finding somewhere to charge your car. So you don't have to change your driving habits to get a few more miles in the tank.

On top of this, the S-Cross 1.4 Boosterjet turbocharged engine delivers high torque and powerful performance. Put it all together and you have a vehicle that makes you feel confident and in control whatever the journey and whatever the road conditions.

You'll have to drive it to believe it.

*Compared to the equivalent outgoing model without hybrid and using the official WLTP combined fuel consumption and CO₂ emissions figures.

MADE FOR

ADVENTURE

THE S-CROSS HAS BEEN CRAFTED TO TACKLE CITY STREETS AND THE TOUGHEST TERRAIN.

With every detail specifically chosen to help you master the road, it delivers dynamic adventure-ready design with sleek, modern style.

With a strong, angular front grille, boldly designed front & rear skid plates, and high ground clearance and driving seat position, S-Cross has high quality SUV style for confident presence on the road and a smooth driving experience.

Additional enhanced SUV design features include roof rails, panoramic sunroof* and athletically styled alloy wheels. You're sure to turn heads when you arrive, and when you take off.

*SZ5 models only.

A GRIPPING RIDE

THE S-CROSS IS READY FOR ANY CHALLENGE. THANKS TO ALLGRIP 4-WHEEL DRIVE TECHNOLOGY (4WD)* YOU'LL ADAPT TO THE CONDITIONS WITH THE TURN OF A DIAL.

AUTO MODE

Prioritises fuel efficiency in everyday conditions, switching to 4WD* for more traction if wheel-spin is detected.

SPORT MODE

Actively engages 4WD* based on your steering and acceleration to make the car more responsive, especially along tracks like country lanes.

SNOW MODE

Your answer to powder, ice, rain and mud. Get the crucial traction you need when the conditions demand it.

LOCK MODE

Engages permanent 4WD* if you're stuck in deep snow or mud.

*ALLGRIP 4-wheel Drive system is available as an option on SZ5 models only.

ADVANCED SAFETY

**THE S-CROSS ANTICIPATES
POTENTIAL HAZARDS AND
PROTECTS YOU IN SECONDS,
MINIMISING THE RISK OF
ACCIDENTS AND INJURY.**

**Your journey is as safe as possible
with our advanced safety technology
– so you can drive with peace of mind.**

RADAR BRAKE SUPPORT

This collision-mitigating system uses a millimetre-wave radar sensor on the front of the vehicle to realise advanced safety functions:

CONDITIONS FOR OPERATION:

1. Against stationary obstacles: operates at vehicle speeds of approximately 3mph to 50mph (UK) / 5km/h to 80km/h (ROI) - applies to safety function 1. Warning and 4. Automatic Brake.
2. Against moving obstacles: operates at vehicle speeds of approximately 3mph (UK) / 5km/h (ROI) or above - applies to all safety functions (1-4).

1. Warning

The system detects the vehicle in front and – if there is a risk of collision – warns the driver to use the brakes. The timing of the warning can be switched between the settings of Far or Near.

2. Automatic Light Brake

If there is a risk of collision, the system applies light braking to warn the driver to use the brakes.

3. Brake Assist

If there is a high probability of a collision and the driver strongly presses the brake pedal, the system increases the braking force, helping to avoid the collision or reduce damage.

4. Automatic Brake

If the system determines that a collision is imminent, it applies the brake automatically in order to avoid the collision or reduce damage.

ADAPTIVE CRUISE CONTROL (ACC)

ACC uses the cruise control system in conjunction with the RBS radar sensor that measures the distance from the vehicle in front. To maintain a long, medium or short distance set by the driver, the system automatically adjusts the S-CROSS' speed, thus enhancing comfort. Key features of ACC are:

1. Constant speed control If there is a sufficient distance from the vehicle ahead, the S-CROSS travels at the constant set speed.

2. Deceleration control If the vehicle in front is travelling at a lower speed than the S-CROSS, the set speed is automatically reduced to keep a sufficient distance.

3. Acceleration control If the vehicle in front departs from the lane and there is a sufficient distance to the next vehicle ahead, the S-CROSS automatically reaccelerates and keeps the set speed.

ELECTRONIC STABILITY PROGRAM (ESP®)

Should the wheels lose traction, the Electronic Stability Program ESP® automatically adjusts the engine and brakes to help keep the driver in control.

SEVEN AIRBAGS

Extra protection comes from front and side airbags for the driver and front passenger, a knee airbag for the driver, and left and right curtain airbags.

HILL HOLD CONTROL

The hill-hold control function makes hill-starts easy by preventing the S-CROSS from rolling backward when the driver moves his or her foot from the brake pedal to the accelerator pedal.

TYRE PRESSURE MONITORING SYSTEM (TPMS)

The TPMS warns the driver of any drop in tyre pressure via the multi-information display. The pressure in each tyre is measured by a sensor in its air valve.

Warning: ■ The Radar Brake Support system may not function properly in certain situations. ■ The system may not be able to avoid collisions or reduce damage in a collision depending on the type of obstacle, weather conditions, road conditions, or other circumstances. ■ The system may not operate if the driver takes evasive action by manipulating the steering wheel or accelerator. ■ There is a limit to the Radar Brake Support's ability to detect obstacles and control the vehicle. Please do not rely on the system; always drive safely. ■ Please make sure to read the owner's manual, as it contains important information for your safety. ■ For additional information, please contact your Suzuki dealer.

MAKE THE MOST

OF EVERY JOURNEY

THE S-CROSS IS DESIGNED SO EVERY DETAIL OF YOUR TRIP IS A GREAT EXPERIENCE.

The 7-inch touchscreen display* enables intuitive operation of multimedia features including satellite navigation*, Apple CarPlay® & Android Auto™ smartphone integration* and rear parking camera*.

On top of this, all S-Cross models have DAB digital radio, Bluetooth® handsfree phone connectivity, dual-zone automatic air conditioning and a user-friendly instrument panel to keep you driving happy.

DRIVE AWAY WITH SUZUKI FINANCE

Once you've found the Suzuki for you, you'll want an ideal Suzuki Finance package to go with it.

What are the options?

1.

Personal Contract Purchase – Great for those who want flexibility; Once you've agreed your deposit, repayment period and annual mileage, the dealer will work out the monthly repayment amount and optional final repayment amount. After you've made all the monthly repayments you will have 3 options: 1. Own the vehicle by paying the optional final repayment 2. Part exchange* 3. Return the vehicle (return conditions apply).
2.

Hire Purchase – If you want to own the vehicle at the end this could be the product for you. Once you've agreed your deposit and repayment period, the dealer will work out the monthly repayment amount. Once you have made all the monthly repayments including interest, you will become the owner of the vehicle.
3.

Personal Contract Hire – This is a fixed cost rental agreement with no ownership option at the end. Select your new Suzuki, agree the annual mileage and term of agreement and pay an initial rental in advance, followed by regular monthly rentals over the agreed term. When the agreement comes to an end the vehicle must be returned (return conditions apply**).

What's the difference?	HP	PCP	PCH - Subject to Availability
Length of the agreement	From 1-5 years	From 1-4 years	From 2-5 years

THE VEHICLE IS AT RISK OF REPOSSESSION IF YOU DO NOT MAINTAIN CONTRACTUAL REPAYMENTS

What's next?

For more information or help finding the right pack for you, pop into your local dealer or visit cars.suzuki.co.uk/Suzuki-finance

*Part exchange subject to settlement of your existing finance agreement; new finance agreements are subject to status.**To avoid incurring charges, the vehicle needs to be in good condition (fair wear and tear accepted) and within the permitted maximum mileage. The vehicle is at risk of repossession if you do not maintain contractual repayment. **Personal Contract Purchase and Hire Purchase:** Credit is available to UK residents aged 18 or over, subject to status. Suzuki Finance is a trading style of Suzuki Financial Services Limited, St William House, Tresillian Terrace, Cardiff, CF10 5BH. Finance is available for Republic of Ireland residents, subject to status, and will vary from the above. The credit provider is Bank of Ireland Finance, which is a registered trading name of Bank of Ireland. **Personal Contract Hire:** Contract Hire is subject to status, age 18 and over. You will not own the vehicle. Contract Hire provided by Suzuki Contract Hire, a trading style of Lex Autolease Limited, Heathside Park, Heathside Park Road, Stockport, SK3 0RB.

WARRANTY

Every Suzuki S-Cross comes with a comprehensive three-year or 60,000-mile (UK)/100,000 km (ROI) warranty (whichever comes first) and a 12-year anti-perforation warranty.

ROADSIDE ASSISTANCE

We're always around if you need roadside assistance. New cars come with Suzuki Assistance cover which includes 24-hour roadside assistance, home start and recovery through Republic of Ireland, UK and Europe. And if the car is older than 12 months, you'll receive a complimentary AA Assistance Lite policy when you bring your car in for a service or MOT to one of our authorised Suzuki dealers.

TREATING YOU RIGHT

We're serious about our cars. And our customers.

With over a century of experience and innovation behind us, we care about keeping the good times and the good cars rolling.

Our philosophy has always been about the joy of driving, so we're dedicated to making cars that offer something for everyone and are, above all, fun to drive. Plus, your Suzuki experience doesn't stop when you buy the car. We'll continue to look after you long after you've driven off the forecourt.

Our Suzuki Service Promise guarantees that every Suzuki customer will receive superior levels of care when their car needs servicing, plus every new Suzuki comes with a 3-year or 60,000 miles (UK) / 100,000km (ROI) warranty, and Free Driveway Insurance*. Because when you're with us, we want you feeling looked after.

You've made it this far, so we're pretty sure you're itching to test drive one of our S-Cross range models. Good news – it's really easy to set up. Just **find your local Dealer** on our website and book a test drive at your own convenience. But be warned, after five minutes behind the wheel of a S-Cross, you might not want to give it back.

GET THE BEST, FROM THE BEST

Our dealers are number 1 when it comes to customer service, according to the UKCSI reports for 2019 & 2020. They're always on hand to help you find your perfect Suzuki.
