# Go big and beautiful.

Travel in style with the ride that gets you where you want to go comfortably and safely - and with all eyes on you. The All-new i10 — bigger and bolder than before.

**Cascading grille:** The expressive shape of the new cascading grille and LED Daytime Running Lights emphasises the confident character of the All-new i10.

**Two-tone roof:** Selected All-new i10 models feature eye-catching two-tone roof options

**Wheels:** 16" alloy wheels add sporting poise and a confident finish to the style of the All-new i10.

The All-new i10 is built to be agile, with sleek, stylish features designed to turn heads. Strikingly sculpted from bonnet to boot with a cascading grille, stunning alloy wheels and LED Daytime Running Lights, as well as a two-tone roof on selected models and redesigned front end that'll make jaws drop on your journey. Big on character and big on charisma, the flowing lines of the All-new i10 are made to move.

# Stand out in a big way.

With dynamic styling and performance design from the chassis up, the All-new i10 N Line sets a new standard for a car of this class. Taking inspiration from the N Line racing heritage, signature features make the All-new i10 N Line stand out from the crowd to make a big impression.

16" N Line alloy wheels. Alloy wheels subject to change.

Design and styling take a front seat in the All-new i10 N Line with performance enhancements throughout. From the 1.0 T-GDi powertrain delivering 100Ps on the road, N Line badging, unique front grille and the optional Phantom Black two-tone roof, the All-new i10 N Line has a dynamic character all its own. Exclusive design features include redesigned bumpers and LED daytime running lights to emphasise the All-new i10 N Line's sporty attitude. Subtle pin stripe detail and exclusive alloy wheels complement the performance-enhancing diffuser and skid-plate for a sleek silhouette that underlines the racing pedigree of the N Line marque.

Big on flexibility,  
big on technology,  
big on style.

Advanced comfort and convenience in a compact car. Enjoy your time behind the wheel and stay in touch with the rest of the world with multimedia connectivity and an intuitive in-car interface.

8" Touchscreen Navigation makes multi-media access easy.

In case of emergency, e-Call directs first responders to you - fast.

Mobile wireless charging brings convenience to the cabin.

Honeycomb dash design adds 3D elegance to selected models.

We've gone big on flexibility with the All-new i10, giving you an attractive and comfortable cabin with the latest multimedia technology. Everything is seamlessly integrated into the elegantly designed dashboard, from Blue Link™ and sat nav to wireless mobile charging on selected models, and an 8" interface screen. With next-generation styling, an array of design options, and premium features like heated seats, you and your passengers can sit back and enjoy the ride in safety and in style.

# Get connected to the bigger picture.

The All-new i10 offers class-leading connectivity, with a range of advanced technology functions fully integrated into the 8" colour touchscreen.

8" Multi-media display features Rear View Camera, dynamic AR guidelines and complete smartphone connectivity – available on SE Connect and above.

The All-new i10 is a pioneer in its class. An 8" touchscreen display, seamless mobile integration with Apple CarPlay™ and Android Auto™ to sync your smart phone and mirror its functionality, and a rear-view camera to guide you into those tight spaces come as standard on the SE Connect and above. Advanced Blue Link™ telematics and wireless charging are available on the All-new i10 Premium and i10 N Line with the optional Hyundai Tech Pack.

# Sitting pretty with N Line styling.

Enhanced interior detail and signature styling for comfort and control.

Image shown All-new i10 N Line.

Red accent trims and fine N Line detail in the interior are inspired by motorsport, with the N Line branded steering wheel, gear shift lever and metal pedals a nod to the design of race car interiors. Sports seats give support for performance driving precision, and the honeycomb dash inserts and black roof lining add to the feeling of stylish comfort. Packed with the latest Hyundai smart sense safety technology and connectivity equipment, the All-new i10 N Line comes with an 8" touchscreen display including Apple CarPlay™ and Android Auto™ as standard.

# Even more of a good thing.

With precision designed inner space, 5 seats and one of the biggest boots in its class, the All-new i10 has room to spare. Smart design at every level has focused on making the car fit your lifestyle, not the other way round.

The All-new i10 boasts one of the largest boots in its class, with a capacity of up to 252 litres.

The All-new i10 interior has been redesigned with even more space inside. With a longer wheelbase there's plenty of room and the chance to stretch your legs, so five people can sit in comfort and still have 252 litres for luggage to boot, expanding to over 1,000 litres when the seats are down. With one-handed seat folding and a 60/40 seat configuration to make even more of the space available, the All-new i10 is a transport of delight.

Car shown All-new i10 Premium in Aqua Turquoise and Shale Grey interior option with optional two-tone roof.

# Making a Big impression.

The All-new i10 has been engineered for poise and performance, with refined design and even more inner space, but it's the little things that add up to make a bold statement. Choose from a range of Hyundai Genuine Accessories to make the All-new i10 all your own with inspired extras for that personal touch. Your style, your way - with the All-new i10.

# Hyundai SmartSense.

Taking safety to the next level.

**Lane Keeping Assist:** The Lane Keeping Assist (LKA) uses the front multi-function camera to monitor the lines of the road. In case of an unintended lane departure, it warns you and can apply counter steering torque to guide the car back to the lane.

**High Beam Assist (HBA):** Less stress and maximum visibility. HBA not only detects oncoming vehicles but also vehicles in the same lane ahead and switches to low-beam as appropriate.

**Driver Attention Warning (DAW):** When a pattern of fatigue or distraction is identified, the system gets your attention with an alert and pop-up message suggesting a break.

**Forward Collision-Avoidance Assist (FCA):** Sensing the road ahead with the multi-function camera, FCA warns you and then automatically brakes when it detects sudden braking by a car ahead. Includes pedestrian detection.

**Leading Vehicle Departure Alert (LVDA):** This clever feature for city driving alerts the driver when the vehicle in front departs from an idle state, like at a stoplight or in a traffic jam.

**Intelligent Speed Limit Warning (ISLW)\*:** Recognizes road speed signs and displays the speed limit in real time in both the navigation system display and instrument cluster.

With the All-new i10, the concept of road safety has changed in your favour. With a vast array of Smart Sense technology on board as standard, automated sensors assist awareness and make safe driving even easier. Lane Keep Assist and Lane Departure Warnings make sure you stay where you're supposed to, with Intelligent Speed Limit Warning\* and Forward Collision Warnings and Driver Attention Alerts reading the road for you. E-call is also on board as standard - this feature automatically calls emergency services if you're in an accident and the airbags deploy. You can also push the SOS button for emergency assistance 24/7, 365 days a year.

# Connecting the All-new i10 to your lifestyle.

Blue Link™ Connected Car Services bring seamless connectivity directly into the All-new i10, with online voice recognition and a wide range of features to make your drive more convenient and enjoyable. Be in tune with your ride with Find my car, remote door lock & unlock, and destination send to car.

We're changing the way we interact with cars and technology — with Blue Link™ from Hyundai leading the way. The All-new i10 comes with an optional Tech Pack on Premium and N Line models, Blue Link™ gives seamless connectivity in-car and in-app. A free five-year subscription to Hyundai's LIVE Services lets you make the most of Bluelink® Connected Car Services, with real-time traffic information giving you the fastest route for the conditions, so you save time on the road and know precisely when you're going to arrive.

## Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

### CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

\* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit [hyundai.co.uk/warranty](http://hyundai.co.uk/warranty) for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit [hyundai.co.uk/assistance](http://hyundai.co.uk/assistance) for further details.

## 5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty\* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

### HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

### 5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

### ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit [hyundai.co.uk/warranty](http://hyundai.co.uk/warranty) for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit [hyundai.co.uk/assistance](http://hyundai.co.uk/assistance) for further details.

## Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

## Hyundai Service Plans

For the school runs and the shopping trips. The multi-storeys and the motorways. Holidays, the commute, the appointment you simply can't be late for. This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances. So you're simply free to live your driving life knowing your servicing costs are already covered. With payment options to suit you and no interest or credit checks. Just the certainty that your Hyundai is always in great hands.

For more information visit [hyundai.co.uk/owning](http://hyundai.co.uk/owning), contact your local dealer or call us on 0800 981 981.

## Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

## Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. For more information visit [hyundai.co.uk/owning](http://hyundai.co.uk/owning), call us on 0800 981 981 or contact your local dealer.
