

FABIA ESTATE

ŠKODA

Effective: 6th September 2021

We think you'll agree that today's FABIA is as much a joy to drive and just as relevant as when we started.

Models shown are not UK specification. Some of the equipment shown is optional.

STEAL ATTENTION ON THE ROAD

Confidence, power and balance. From the crystalline design of the headlights, the distinctive geometry of the grille to the powerfully contoured rear, the FABIA's exterior makes a first-class first impression from every angle.

Build your own

LED REAR LIGHTS

The FABIA's LED rear lights feature the iconic illuminated C-shaped design, tinted with a black edge.

PRIVACY GLASS

Designed to provide additional sun protection for passengers in the back, the tinted rear windows also add a sporty look and feel.

LED HEADLIGHTS

The optional LED headlights adjust light intensity to provide great visibility in all situations. When oncoming traffic is detected, they automatically adjust to prevent dazzling others. Comes with front cornering fog lights.

SIGNATURE DESIGN

The newly designed front with its dynamic 3D fins give the car a modern and dynamic look, whilst the grill cuts in at the top to drag the bonnet in giving the car an improved road presence. The honeycomb bumper gives the car a more premium feel.

Models shown are not UK specification. Some of the equipment shown is optional.

Additional information

A GREAT DEAL OF THOUGHT AND SPACE

The interior of the FABIA is as captivating as it is inviting, with an emphasis on striking horizontal lines and fine-tuned functionality. It's highly adjustable too, from the seats, mirrors and windows to the dashboard style and upholstery colour.

PANORAMIC GLASS ROOF

The optional eye-catching panoramic glass roof gives the car a more spacious feel.

MULTIFUNCTION STEERING WHEEL

The attractive multifunction leather steering wheel isn't simply soft and tactile, it enables you to control the radio, trip computer and your connected smartphone.

HEIGHT ADJUSTABLE FRONT SEATS

We go to great lengths to put comfort firmly in the driving seat. Quite literally in this case, as the driver's seat can be easily adjusted to suit your height.

CLIMATE CONTROL AIR CONDITIONING

Whether keeping you cool in the summer or cosy in the winter, this electronic system provides year-round comfort. It's also fitted with a humidity sensor to reduce windscreen misting.

REAR SEATS

With its generous leg-room and space, the FABIA ensures your passengers in the back always have plenty of room.

Models shown are not UK specification. Some of the equipment shown is optional.

CONNECTIVITY TO GO WHEREVER YOU GO

While the infotainment system instantly impresses, it truly comes alive once connected to your smartphone. This enables you to be fully online on the move, keeping you connected wherever your journey takes you. It also opens up a world of personalisation thanks to features such as SmartLink+.

SMARTLINK+
From taking calls to switching between your favourite playlists, SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

SWING PLUS RADIO
Take your favourite tunes on the road with the Swing Plus radio, which includes a 6.5" touchscreen, DAB, AM and FM tuners, USB connection and SD card slot. Included as standard on SE models and above.

ŠKODA SURROUND
Open road. Favourite tunes. Pure bliss. The ŠKODA Surround sound system is perfectly tuned to suit the unique space of the FABIA and includes six onboard speakers, plus a further three virtual speakers.

Images shown may not be UK specification. Some of the equipment shown is optional.

FULLY LOADED

The FABIA's always been filled with thoughtful touches that make life that little bit easier. Naturally, you'll find that remains the case with cleverly hidden extras at every turn.

TICKET HOLDER

The handy ticket holder allows you to display your parking tickets without sticking them to your window.

ICE SCRAPER

Mounted out of sight on the fuel cap, this handy ice scraper is ideal for frosty mornings.

REAR-VIEW CAMERA

Located on the boot handle, the optional rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

UMBRELLA

A spot of rain will never dampen your spirits again thanks to the umbrella located under the passengers seat.

Models shown are not UK specification. Some of the equipment shown is optional.

LOOKING OUT FOR THOSE INSIDE

We're forever focused on customer safety and comfort. It's why in a car that can seat up to five passengers, six airbags are equipped as standard. You'll also find a host of active and passive driver assistance systems that help to provide extra protection at all times.

FRONT ASSIST

Using a radar in the front bumper this system provides an audio and visual signal to warn of an impending collision. If the driver fails to respond, the system initiates braking to minimise any possible impact.

THIRD REAR HEADREST

If full carloads are the rule rather than the exception, the option of a third headrest in the middle seat will be welcomed by all rear passengers.

DRIVER FATIGUE SENSOR

This optional intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected, the trip computer display warns the driver to take a break.

BLIND SPOT DETECTION WITH REAR TRAFFIC ALERT

Placed in the corner of each wing mirror, the signal turns yellow when a car is in your blind spot to warn you not to pull out. Rear Traffic Alert provides an audio signal when reversing if the car detects a potential collision.

Models shown are not UK specification. Some of the equipment shown is optional.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

From 6 April 2021, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021.

YOUR FABIA, YOUR WAY

From roof racks, mudflaps and mats to the latest tech and alloy wheels, our range of FABIA accessories are designed to protect your pride and joy and add that special finishing touch.

ROOF BOX AND ROOF BARS
By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 120 kg in total stability.

LOCKABLE BICYCLE HOLDER WITH ALUMINIUM PROFILE
Providing secure transport for your bicycle, the aluminium profile bicycle rack makes it easy to mount and secure your bicycle to the roof of your car. With its unique design and high-quality workmanship, the rack protects your bicycle and can also be locked to provide better protection against theft.

MULTIMEDIA HOLDER AND ADAPTER
This clever holder allow tablets between 115 and 195mm to be viewed both vertically and horizontally. It can also be tilted forwards, backwards or sideways by up to 30° and can be rotated 360°, making versatile viewing for your rear passengers.

PLASTIC BOOT DISH AND PARTITION
This lightweight, durable thermoplastic dish fits perfectly into the boot area and protects it from moisture, dirt and damage. If the dish does get wet or dirty it can easily be taken out and cleaned – perfect if you lead an active lifestyle. Inserting aluminium inserts also helps create smaller compartments meaning less chance of items sliding around.

REAR SEAT PROTECTION AND DOG SAFETY BELT
Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

Images are for illustrative purposes only. Please ask your ŠKODA Retailer for further information. All the above accessories can only be added to the vehicle after production at a ŠKODA Retailer and some may include an additional fitting cost.

PROTECTION PACK

A walk in the woods or a day at the beach – it's great for the soul but not for your interior. Protect your FABIA and save money with our Protection Pack. The pack includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

MUDFLAPS
Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

RUBBER BOOT MAT
This fits perfectly onto the floor cushion of your car, protecting your boot from dirty shoes, sports equipment, gardening materials etc. It is easily removed for quick cleaning - perfect for keeping your boot space immaculate for as long as possible.

FLOOR MATS
These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £335 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on Fabia Estate SE 1.0 TSI 95PS Manual		
P11D value		£17,405.00
Company car BiK tax based on CO ₂ emission level		28%
Taxable BiK (for 2021/2022 tax year):	28% of £17,405.00	£4,873.40
Annual company car tax (2021/22)		
20% income tax	20% of £4,873.40	£974.68
40% income tax	40% of £4,873.40	£1,949.36
Monthly company car tax (2021/22)		
20% income tax	£974.68 divided by 12 months	£81.22
40% income tax	£1,949.36 divided by 12 months	£162.45

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2021/2022.

ADDITIONAL INFORMATION

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

ŠKODA Gap Insurance

What is ŠKODA Gap Insurance?

If your ŠKODA is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new ŠKODA or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

ŠKODA Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your ŠKODA or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, ŠKODA Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

ŠKODA Gap Insurance Plus

In addition to all the benefits of ŠKODA Gap Insurance, the ŠKODA Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, ŠKODA Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

ŠKODA Gap Insurance gives you the financial protection your ŠKODA deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement ŠKODA.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £396 or 24 monthly payments of £16.50. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services. Pricing effective from 1st August 2020.

Service intervals

When you order your FABIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
