THIS IS VAN LIFE

From capable load-lugger to versatile people carrier, the PROACE offers solutions you can trust to meet every need.

PROACE Long-Panel Van

Cargo volume: **6.6m³***

* With Smart Cargo (optional on Active grade and standard on Icon and Design grades).

LENGTH

WIDE CHOICE EQUALS SMART SOLUTIONS

With a choice of body style and length combinations, the PROACE gives you the choice to best fit your needs.

From small start-up to growing enterprise, whatever the size of your business, you'll find the PROACE is designed to be every van you need. Thanks to an extensive choice of combinations including four body styles, three lengths and two configurations of rear door – you can be confident the PROACE has the solution for every job.

LOAD SPACE TO HANDLE EVERY DEMAND

Impressive capacity, practical access and three lengths mean the versatile PROACE has enough space for the biggest range of loads.

The PROACE Compact is the perfect workhorse for tight spaces. Its unique small 4.6m body sets new standards, providing the largest cargo space in its class, and with the Smart Cargo load-through bulkhead opened, also the longest at a surprising 3.3m, it gives you unbeatable volume and payload capacity. Access is provided by a low-loading floor and wide-opening sliding side doors and rear doors, while best-in-class payload capacity means you can carry even more.

If your demands are even greater, the extra capacity of the PROACE Medium and Long models will have them covered, with body lengths increasing to 4.9m and 5.3m respectively.

The PROACE Compact is the perfect workhorse for tight jobs. Its short, 4.6m body houses best-in-class cargo space to provide unbeatable volume and payload capacity.

3 seats 

PROACE Compact*

Cargo length: 3324 mm
Cargo height: 1397 mm
Cargo width: 1636 mm
Maximum payload: 1000 kg
Number of Euro pallets: 2

PROACE Medium*

Cargo length: 3674 mm
Cargo height: 1397 mm
Cargo width: 1636 mm
Maximum payload: 1200 kg
Number of Euro pallets: 3

PROACE Long*

Cargo length: 4026 mm
Cargo height: 1397 mm
Cargo width: 1636 mm
Maximum payload: 1400 kg
Number of Euro pallets: 3

* All figures above are based on a vehicle with Smart Cargo. Smart Cargo is optional on Active grade and standard on Icon and Design grades.

4.6m

WORK SMART, WORK COMFORTABLY

Comfortable interiors, intelligent mobile office solutions and practical loading features make the PROACE a smart place to work in.

A smooth and quiet drive and supportive seats help you to soak up long distances at the wheel, while the PROACE Compact's impressive front-seat configuration allows three people to sit together in comfort. The innovative Smart Cargo option which combines three features – Mobile Office, upright folding front seat and Smart Cargo* load-through bulkhead – enhances the PROACE's cabin with useful practicality.

The PROACE's optional navigation system⁸ is equipped with 10 years' Connected Services, so wherever you are, you can concentrate on the job at hand while enjoying having the information you need at your fingertips.

The PROACE's Smart Cargo* option features a two-person front bench and Mobile Office solution to give you valuable flexibility when you need to carry more passengers – and the convenience of a table when you don't.

Providing an additional load length of 116 cm, while still accommodating two people up front, the PROACE's Smart Cargo* load-through bulkhead will certainly go to extra lengths for you.

Offering a further 0.5m³ of storage space, the PROACE's optional Smart Cargo* upright folding front seat lets you utilise valuable space in the cabin when you need to transfer that little bit extra.

The PROACE's under-seat storage solution offers you and your passengers a convenient home for daily apparatus, stored neatly inside the front bench seat (standard on Icon Crew Cab, Design Crew Cab and Combi grades only).

The PROACE's optional high-resolution navigation system[§] comes complete with Connected Services. This features real-time traffic, TomTom places, weather, parking, fuel prices and danger zone (speed camera) alerts.

* Not available on Combi Grade, Optional on Active, and Standard on Icon and Design grades.

§ Not available on Active or Combi grades. Optional on Icon. Standard on Design.

FUEL-SAVING POWER

Advanced diesel engines and smooth transmissions combine cost-saving fuel efficiency with great driveability.

With a complete line-up of advanced diesel engines and smooth transmissions, the PROACE gives you power to match its load-lugging ability and fuel efficiency that you'll appreciate at the pumps. With three responsive diesel engines to choose from – 1.5, 1.6 and 2.0 litre; four power outputs – from 95 DIN hp to 180 DIN hp; and three transmissions – 5- and 6-speed manual and a 6-speed automatic there's a powertrain for every professional. By incorporating Stop & Start technology across the range*, the PROACE offers impressive fuel economy and CO₂ emissions from 127 g/km[‡].

* Not available for 1.6 litre 95 DIN hp.

‡ Combined cycle. Please see page 28 for more details.

Find out more
on Toyota
Safety Sense.

All active safety technologies are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

SAFETY AT WORK

A range of advanced safety features helps to keep you and your passengers out of harm's way.

When your business takes you on the road every day, you want to know that you're travelling in safe hands. With Toyota Safety Sense[§] in the PROACE, you're doing just that. The innovative Toyota Safety Sense package includes Adaptive Cruise Control and Pre-Collision System.

Toyota Safety Sense

- Pre-Collision System with Pedestrian Detection
- Adaptive Cruise Control[°]
- Cornering Lights
- Head-Up Display
- Acoustic and Athermic Windscreen

Combining all these features with a 5-star* EuroNCAP safety rating makes the PROACE a safe place to spend a busy working day.

* Combi models only.

[§] Toyota Safety Sense is standard on Design grade.

[°] The Adaptive Cruise Control system is able to reduce the vehicle's speed to 12 mph, acting only on the accelerator. There is no active braking action.

Head-Up Display provides all the driving information you need, projected into your line of sight: vehicle speed, Cruise Control/speed limiter information, vehicle distance, emergency braking alerts and navigation alerts (additional option Navi).

Forward Collision Warning alerts the driver to react to a situation of risk or imminent collision. A visual and audible warning is emitted. This action comes just before AEB is triggered.

Supplemental Restraint System (SRS) airbags

This model is fitted with four airbags*, including SRS airbags for both driver and front passenger, and side airbags for the front seats.

Pre-Collision System

Reduces injury to passengers:

- 0–18 mph: prevents collision with moving or fixed obstacles, including pedestrians
 - Above 18 mph: speed reduction before impact
- The system automatically co-ordinates with Autonomous Emergency Braking (AEB).

Adaptive Cruise Control (ACC)

ACC keeps you at a minimum preset distance from the vehicle in front. If this distance falls, the system progressively reduces your speed using engine braking. If the distance increases again, ACC will gradually accelerate until you return to your chosen cruising speed.

- PVC seats and manual air conditioning

OPTIONS

INTERIOR LINING KITS

Toyota lining accessories make it easy to convert the PROACE load space to ideally suit your business. Varying from covering the sides, floor and wheel arches, to an anti-slip floor, these ply lining solutions will keep the inside of your PROACE protected against even the most challenging loads.

PROACE OPTIONS	Compact	Medium	Long
Standard ply lining: 6 mm ply side panels, 9 mm floor and wheel arch boxes	○	○	○
Standard ply lining with anti-slip floor: 6 mm ply side panels, 9 mm standard ply wheel arch boxes, 9 mm floor with anti-slip coating	○	○	○
Plastic lining: fluted plastic side panels, 9 mm standard ply wheel arch boxes, 9 mm floor with anti-slip coating	○	○	○

○ = Optional

Please contact your local Toyota Centre for details of the full accessory range.

PARKING PACK*

When space is tight, the guidance given by the Toyota parking aid system helps avoid accidental scrapes. Ultrasonic sensors in the rear bumper link to an in-van audible warning that automatically activates when reverse gear is engaged. The warning beeps become progressively more frequent the closer your vehicle gets to an obstacle.

The system can also be switched off when you don't need it, such as when towing a trailer.

* Optional on Active grade.

All mpg and CO₂ emission figures quoted are sourced from official EU regulated tests for comparative purposes and may not reflect real driving results. From 1 September 2018, the World Harmonised Light Vehicle Test Procedure (WLTP) replaced the previous New European Driving Cycle test procedure (NEDC) for passenger vehicles. Commercial vehicles transition on 1 September 2019. PROACE Combi grade is certified to WLTP and mpg and CO₂ figures quoted are NEDC equivalent to enable comparison with NEDC. All other PROACE grade emission and fuel efficiency data is NEDC.

OWNING YOUR PROACE

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/service-mot-maintenance

My Toyota

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **My Toyota**. Packed with time-saving and convenient features, **My Toyota** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **My Toyota** Europe app* now available on iTunes and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/owners/parts-accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods[§]

For full terms and conditions please visit toyota.co.uk/owners/roadside-assistance

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/owners/warranty/toyota-warranty

Corrosion Cover

The 6-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 6-year period. On pick-up beds the corrosion cover term is 3 years.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault. On pick-up beds the rust and paint cover term is 1 year.

* Features on desktop and app vary.

§ Prices correct at time of going to print.

Toyota Business Plus

Designed to support business operators and company vehicle drivers, Toyota Business Plus is our promise to help you procure, manage and upgrade your fleet quickly, efficiently and cost-effectively. Business Plus unites our passenger car and commercial vehicle ranges, with tailored services, ensuring fleet managers can keep their company car drivers happy and business costs down.

Our specialist Business Centres promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac), plus a guaranteed booking within 3 days.

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota Business Plus.

For more information visit toyota.co.uk/business-customers

Toyota Business Plus

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first, or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months; whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

For more information visit toyota.co.uk/owners/warranty/extended-warranty

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

PROACE. THIS IS VAN LIFE.

www.toyota.co.uk/proace

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure. The readability of QR codes present in this brochure may differ according to the scanner used. Toyota cannot be held responsible should your device not be able to read any QR codes or interactive content markers.

All mpg and CO₂ emission figures quoted are sourced from official EU regulated tests. These are provided for comparability purposes and may not reflect your actual driving experience. Fuel consumption varies significantly depending on a number of factors, including driving style, conditions, speed and vehicle load.

PROACE Combi grade is now certified to the World Harmonised Light Vehicle Test Procedure (WLTP). From 1st September 2018, WLTP fully replaces the New European Driving Cycle test procedure (NEDC), which is the previous test procedure. Due to more realistic test conditions, the fuel consumption and CO₂ emissions measured under WLTP are in many cases higher than those measured under NEDC.

For PROACE Combi grade only, all mpg and CO₂ figures quoted are NEDC equivalent. This means the mpg and CO₂ figures are based on the new WLTP test procedure but calculated (using a standard European calculation method) to allow comparison with the current NEDC test procedure. More information can be found by visiting: www.WLTPfacts.eu.

All other PROACE grades are certified to NEDC, the implementation date of WLTP for light commercial vehicles being 1 September 2019.

For vehicles certified under WLTP, revised CO₂ and mpg figures are available from your local Toyota Centre on request.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
