

THE MINI RANGE.
FIVE PERSONALITIES, THE SAME MINI SPIRIT.

WELCOME TO MINI.

When you go for a MINI, you go for choice: Is yours going to be a MINI 3-door or 5-door Hatch, a slick MINI Convertible, a new MINI Clubman or an adventurous MINI Countryman? Which engine will you choose between One, Cooper and Cooper S? Which style will you select: Classic, Sport or Exclusive?

You can now define the specs of your MINI in 5 easy steps. For more information, please see pages 6-7.

Have a look around, and take all the time you need. There's so much going on with MINI – the first time you get behind the wheel there's so much to discover; engines, styles, wheels and upholsteries, paints, technology and comfort packages as well as additional standard and optional equipment. The list goes on and on, so you can really make your MINI truly yours; which is why we've put together a selection of highlights to help you personalise your MINI.

The range may be broad, but the unmistakable design and iconic go-kart feeling are the hallmarks of MINI.

WHO WE ARE.

While you’ve probably heard of MINI already, what you might not know is that we’re much more than the little British car with a big personality. We’ve changed over the years.

2019 marks the 60th anniversary of MINI. Following its ground-breaking launch in 1959, MINI established itself as the definitive go to small car. For 60 years, the MINI has made the revolutionary routine: it has broken all the old rules and set new standards. Its unmistakable design and iconic go-kart feeling are practically the only traditions it won’t break with. For 2019, the brand is once again taking a leap forward with the introduction of the MINI Electric, set for worldwide market launch in March 2020.

MINI has grown from one car, to five. Each with its own personality, all bound by the same MINI spirit of re-invention. Our models include the MINI 3-door and 5-door Hatch, the MINI Convertible, the new MINI Clubman and the MINI Countryman.

The MINI Hatch, available with both 3 doors and 5 doors, is an urban car which sticks out from the crowd, whilst the MINI Convertible is a free spirit, for those who enjoy driving with the top down, taking spontaneous shortcuts, exploring the city and its vibrant outer edges. The new MINI Clubman knows the value of first impressions – it’s stylish and superbly crafted, yet very practical; and the MINI Countryman is an adventurer – a versatile car with off-road capabilities, ideal for longer journeys. It has loads of space inside so you can take your family with you as well as plenty of luggage. For more information about the different models please see pages 8-13 and pages 28-51.

Each car is also available in different variants*: One, Cooper, Cooper D and Cooper S. Each variant has a different engine and its own feel behind the wheel. But whichever model you choose, they all have one thing in common: the

power and efficiency of MINI TwinPower Turbo technology. For more information about engines and performance please see page 14.

Each variant is also available in three different styles**: Classic, Sport and Exclusive. MINI Classic models have an extensive list of standard specifications, whilst MINI Sport models are distinctly sporty and come with John Cooper Works interior and exterior equipment. MINI Exclusive models have a more refined style and include some exclusive MINI Yours interior and exterior features. For more information about the styles please see pages 16-19.

The MINI John Cooper Works is also back: Offered with MINI 3-door Hatch, MINI Convertible, MINI Clubman and MINI Countryman, John Cooper Works models are available as stand-alone offering only – which means they come with their own engine and style. John Cooper Works has always been in a league of its own. Though MINI through and through, it boasts a cult following that is proud of this distinction. Powerful, precise and clearly above the rest, it’s the go-kart feeling taken to the extreme; driving even closer to the grit and the grease. For more information about the John Cooper Works models please see pages 56-59.

Innovation has always been at the heart of what we do and electrifying driving is the natural next step. Thanks to the MINI Countryman Plug-in Hybrid and the new MINI Electric, you can get the iconic character of MINI with all the benefits of electric driving. For further details about these models please see pages 52-55.

When Sir Alec Issigonis sketched his initial idea for the Mini on a tablecloth in 1956, his innovative compact design was the perfect response to some of the biggest automotive questions of his era. Almost everything about it was unconventional: he increased the track width as far as he could, mounted the engine transversely, and positioned the instrument cluster centrally for both left and right-hand drive. This ensured maximum space inside the car. The concept was unprecedented – and his revolutionary Mini soon became an icon.

Motorsport legend John Cooper saw star racing potential in the original Mini – so he created a model for the track. Braking, inducing oversteer and then drifting around corners became effortless for rally drivers, thanks to its light weight and short overhangs. Racing around tight bends at high speed, now synonymous with the legendary MINI go-kart feeling, laid the foundation for a succession of spectacular wins at the Monte Carlo rally. Here, the Mini proved that agile handling beats sheer power, every time. To honour Cooper’s vision, the thoroughbreds of the MINI range bear the name John Cooper Works.

The compact design of Sir Alec Issigonis and racing pedigree of John Cooper have defined the Mini from the very beginning and remain hallmarks of every iteration to this day. Their legacy of innovation lives on in the latest MINI – and the cutting-edge technology within.

* Some variants are not available on all cars, for more information please check the technical data section (pages 66-70) or contact your MINI Retailer.
** Sport and Exclusive styles are not available on One variants.

FIVE STEPS TO YOUR MINI.

1. PICK YOUR MODEL.

MINI 3-door Hatch

MINI 5-door Hatch

MINI Convertible

MINI Clubman

MINI Countryman

¹ Some exterior paints are not available on all cars, for more information please check the exterior colours page (on page 26) or contact your MINI Retailer.
² For more information about the single options available, please see page 27, refer to the individual models price lists or speak to your MINI Retailer.

2. CHOOSE YOUR PERFORMANCE.

ONE

1.5l 3-cylinder petrol engine

COOPER

1.5l 3-cylinder petrol engine
2.0l 4-cylinder diesel engine

COOPER S

2.0l 4-cylinder petrol engine

5. PERSONALISE.

Exterior colours¹:

Contrast roof and mirror caps colours:

Single options²:

- MINI Head-up Display
- Harman Kardon Hi-Fi System
- Comfort Access System
- Panoramic electric glass sunroof
- Automatic gearbox

1. PICK YOUR MODEL.

Model shown: MINI 3-door Hatch Cooper S Exclusive with optional Solaris Orange exterior paint, roof and mirror caps in black and 17" Rail Spoke alloy wheels in two-tone.

The MINI 3-door Hatch is a true trailblazer. Committed to standing out from the crowd, it's expressive and self-assured – the choice for unconventional types. The MINI Hatch is made to enjoy urban life to the full. Compact on the outside, with short overhangs, it has a small turning circle which is handy for nimble manoeuvring in the concrete jungle, and offers room for four people.

The MINI 5-door Hatch is 16 centimetres longer than the 3-door and has two extra doors which open up unexpected opportunities: five seats, noticeably more legroom in the back and 30% more luggage space. Ideal for the city, the sporty go-kart feeling makes it fun to drive around tight corners and helps you make your own way through narrow lanes and heavy traffic.

The MINI Convertible is a free spirit. With four seats and a fully electric soft-top, it's perfect for an open-air drive with your friends. Life with the top down is always animated, exciting and fresh. Prepare to live a life packed with impulse and unbridled energy – it's a non-stop thrill behind the wheel for those who know there's always something else to feel.

Model shown: The new MINI Clubman Cooper S Exclusive with optional Indian Summer Red exterior paint, roof and mirror caps in black, Piano Black Exterior and 18" Multiray Spoke alloy wheels.

The new MINI Clubman, sophisticated and quintessentially urban, is artfully constructed with practicality in mind. Being 4.25 metres long, it's a step up in size and in functionality, with a roomy interior superbly crafted from top-quality materials. It is mature and worldly in its outlook, a connoisseur of understated style and robust craftsmanship. And with its six doors – including split rear doors – and seating for five, it's perfect for long and short trips.

Model shown: MINI Countryman Cooper Classic with optional Island Blue exterior paint, roof and mirror caps in black, 18" Pin Spoke alloy wheels in black and LED headlights with cornering lights.

The MINI Countryman is an adventurer. Equipped with a go-anywhere attitude, it transforms from undercover urbanite to intrepid explorer in an instant. Just under 4.3 metres long, it is a versatile Sport Activity Vehicle which is also optionally available with ALL4 all-wheel-drive. Offering ample room for five people, luggage and all those memories you pick up on the way, the MINI Countryman is ideal for an active lifestyle with your family.

2. CHOOSE YOUR PERFORMANCE.

ONE

Only available on MINI 3-door and 5-door Hatch in Classic style, the One has a 1.5l 3-cylinder petrol engine which delivers 102 hp/75 kW and features MINI TwinPower Turbo technology. The go-kart feeling starts here.

COOPER

Available on all MINI models, the Cooper has a 1.5l 3-cylinder petrol engine (136 hp/100 kW) which offers a handy blend of power and fuel economy. Only available on MINI Clubman and MINI Countryman, the Cooper D is ideal if you prefer high-torque, efficient diesel engines. It generates an incredibly satisfying output of 150 hp/110 kW – served up by a 2.0l MINI TwinPower Turbo 4-cylinder diesel engine.

COOPER S

Available on all MINI models, the Cooper S packs the biggest punch. Under the bonnet it boasts a 2.0l MINI TwinPower Turbo 4-cylinder petrol engine that delivers all the power you need, generating 192 hp/141 kW. The MINI Countryman Plug-in Hybrid features a clever combination: a 3-cylinder petrol engine (136 hp/100 kW) at the front with a 95-hp/70-kW e-motor at the rear axle.

Model shown: MINI Convertible Cooper Classic with optional White Silver exterior paint, mirror caps in black, 16" Victory Spoke alloy wheels in black and Leatherette sport seats in Carbon Black.

3. SELECT YOUR STYLE.

CLASSIC.

SPORT.

EXCLUSIVE.

CLASSIC.

The Classic style comes with an extensive list of standard specifications, such as:

EXTERIOR:

- 15" steel wheels on One variants
- 15" or 16" alloy wheels on Cooper variants
- 16" or 17" alloy wheels on Cooper S variants

INTERIOR:

- Standard seats in cloth on One and Cooper variants and on MINI Countryman Plug-in Hybrid
- Sport seats in cloth on Cooper S variants
- Standard steering wheel on MINI Hatch One variants and MINI Hatch and Convertible Cooper variants
- Sport leather steering wheel on all models except MINI Hatch One variants and MINI Hatch and Convertible Cooper variants

Model shown: The new MINI Clubman Cooper Classic. The exterior image shown features optional alloy wheels and no cost roof and mirror caps in black. The interior image shown features optional upholstery, interior surface and Comfort Pack.

SPORT.

The Sport style is distinctly sporty. It includes some exclusive John Cooper Works interior and exterior equipment such as:

EXTERIOR:

- Upgraded John Cooper Works alloy wheels
 - 17" or 18" alloy wheels¹ available as standard
 - 18" or 19" alloy wheels¹ optionally available
- John Cooper Works aerodynamic kit
- John Cooper Works spoiler²

INTERIOR:

- John Cooper Works sport seats
- John Cooper Works sport leather steering wheel
- John Cooper Works door sill finishers
- Anthracite headlining
- Cruise control with brake function
- Performance Control³
- Rear Park Distance Control (MINI Clubman models only)

ADDITIONAL NO COST OPTIONS⁴:

- Sport Suspension

Not available on One variants.

¹ Availability of alloy wheels depends on the model selected, for more information please see the 'Style Options' pages of the models you are interested in. ² John Cooper Works spoiler not available on MINI Convertible models. ³ Already standard on Cooper S variants. ⁴ No cost options must be ordered explicitly.
Model shown: The new MINI Clubman Cooper S Sport. The exterior image shown features optional exterior paint and no cost roof and mirror caps in black. The interior image shown features optional interior surface, Comfort Pack and Steptronic sport transmission.

EXCLUSIVE.

The Exclusive style prizes individuality and a more refined style. It includes some exclusive MINI Yours interior and exterior features and upgraded equipment such as:

EXTERIOR:

- Exclusive alloy wheels
 - 17" or 18" alloy wheels* available as standard
 - 17", 18" or 19" alloy wheels* optionally available (including exclusive MINI Yours alloy wheels)
- Chrome Line Exterior

INTERIOR:

- MINI Yours leather steering wheel
- MINI Yours leather sport seats
- MINI Yours interior style
- MINI Yours gear stick with exclusive stitching
- Chrome Line Interior
- Cruise control with brake function

Not available on One variants.

* Availability of alloy wheels depends on the model selected, for more information please see the 'Style Options' pages of the models you are interested in.
Model shown: The new MINI Clubman Cooper S Exclusive. The exterior image shown features optional exterior paint and upholstery. The interior image shown features optional Comfort Pack and Harman Kardon Hi-Fi System.

4. ADD SOME PACKS.

DRIVING ASSISTANT PACK

COMFORT PACKAGES

NAVIGATION PACKAGES

DRIVING ASSISTANT PACK.

The optional Driving Assistant Pack is a camera-based driver assistance system that increases safety on the road for you and others around you. It recognises and reports speed limits and no-overtaking zones.

When travelling at speeds between 6 and 37 mph, pedestrian warning and approach control warning, both with light city braking function, warn drivers and automatically brake if a potential collision is detected.

At higher speeds, approach control warning also registers potential collisions with vehicles ahead and preconditions the brakes for faster brake responses and shorter stopping distances. If an accident cannot be avoided, the braking functions help to reduce the impact speed.

Model shown: The new MINI Clubman Cooper S Exclusive with optional Indian Summer Red exterior paint, roof and mirror caps in black, Piano Black Exterior, 18" Multiray Spoke alloy wheels and Driving Assistant Pack.

COMFORT PACK.

The Comfort Pack adds more comfort to your MINI with the following features:

- Seat heating for driver and front passenger
- Automatic air conditioning
- Rear Park Distance Control*
- Passenger seat height adjustment
- Storage compartment pack
- Floor mats in velour
- Front centre armrest

* Already standard on MINI Convertible and MINI Countryman.

Seat heating for driver and front passenger and automatic air conditioning

COMFORT PLUS PACK.

Add even more comfort to your MINI with the Comfort Plus Pack. It comprises all the equipment of the Comfort Pack:

- Seat heating for driver and front passenger
- Automatic air conditioning
- Passenger seat height adjustment
- Storage compartment pack
- Floor mats in velour
- Front centre armrest

It also includes the following features:

- Rear view camera
- Auto-dimming exterior mirrors and interior rear view mirror
- Folding exterior mirrors
- Park Distance Control, front and rear
- Parking Assistant (helping you find a suitable parking space and makes parallel parking easy, you just have to brake and accelerate as required)

Rear Park Distance Control: acoustic and optical distance warning of obstacles to the rear of the car (sensors in rear bumper)

Automatic air conditioning

Parking Assistant

Rear view camera

NAVIGATION PACK.

The Navigation Pack is standard on MINI Clubman and MINI Countryman, and optionally available on MINI Hatch and MINI Convertible. It includes the following features:

- MINI Navigation system with 6.5" display
- MINI Connected*
(vehicle status and destination, frequently visited places, MINI Find Mate, calendar integration, share arrival time, "time to go" notifications, MINI Connected ready-apps)
- Apple CarPlay
- Visual Boost Radio

On MINI Clubman and MINI Countryman, it also comprises additional equipment:

- Real Time Traffic Information (RTTI)
(providing the latest traffic updates so you can spot and bypass sudden bottlenecks)
- ConnectedDrive Services
(including Online Search and Weather Information)
- Remote Services
(vehicle search, import destination from smartphone to Navigation system, lock or unlock the doors remotely)

Not available with the Navigation Plus Pack.

MINI Navigation system with 6.5" display

Apple CarPlay

Real Time Traffic Information (RTTI), only on MINI Clubman and MINI Countryman models

THE MINI 3-DOOR AND 5-DOOR HATCH.

Models shown: MINI 3-door Hatch Cooper S Exclusive with optional Solaris Orange exterior paint, roof and mirror caps in black and 17" Rail Spoke alloy wheels in two-tone (left) and MINI 5-door Hatch Cooper S Sport with optional Emerald Grey exterior paint, Piano Black Exterior, black bonnet stripes, roof and mirror caps in black and 18" John Cooper Works Cup Spoke alloy wheels in two-tone (right).

The true original and the one that started it all. The MINI Hatch is striking and showcases its legendary DNA more proudly than ever. Distinctively modern, it comes equipped with an extensive list of standard features. Compact on the outside, with short overhangs, plus loads of space inside – it's as fun to drive today as it was back in 1959. On winding country roads it handles like a go-kart. It also has a small turning circle, which is handy for nimble manoeuvring in the concrete jungle. The MINI Hatch is made to enjoy urban life to the full.

STANDARD EQUIPMENT HIGHLIGHTS.

- EXTERIOR:**

 - LED headlights
 - LED rear lights
 - Rain sensor and automatic headlight activation
 - Mirror caps in body colour
- INTERIOR / FUNCTIONAL EQUIPMENT:**

 - 6.5" screen
 - Multi-function controls for steering wheel
 - Bluetooth hands free function with USB audio
 - DAB digital tuner
 - Intelligent emergency calling (E-call)
 - Interior lights pack
- MINI Excitement Pack (including MINI logo projection, illuminated door handles and LED mood lighting)

The MINI 3-door Hatch offers room for four people plus 211 litres of luggage.

Model shown: MINI 3-door Hatch Cooper S Exclusive with optional Solaris Orange exterior paint, roof and mirror caps in black and 17" Rail Spoke alloy wheels in two-tone.

Same handling – more handles. It's the icon you love with double the doors. Two extra doors open up untold opportunities, and you still get all of the iconic MINI go-kart feeling thanks to a low centre of gravity, wide-track and sporty chassis.

Five seats, noticeably more legroom in the back and 30% more luggage space (278 litres) – the benefits of the MINI 5-door Hatch speak for themselves. It's highly customisable, agile and a great everyday car with all the striking MINI design features.

Model shown: MINI 5-door Hatch Cooper S Sport with optional Emerald Grey exterior paint, Piano Black Exterior, black bonnet stripes, roof and mirror caps in black and 18" John Cooper Works Cup Spoke alloy wheels in two-tone.

THE MINI CONVERTIBLE.

Model shown: MINI Convertible Cooper S Exclusive with optional Midnight Black exterior paint, Chester leather upholstery in Satellite Grey, MINI Yours soft-top and 18" MINI Yours British Spoke alloy wheels.

Sky above, road ahead – experience the legendary go-kart feeling in the slick MINI Convertible and leave your troubles behind you. Driving with the top down has never felt so good. The MINI Convertible has four seats, and when the top is closed, the luggage compartment has a generous capacity of 215 litres.

It takes just 18 seconds for the high-quality, electrically operated soft-top to fully open or close – even when travelling at speeds of up to 19 mph. The steep front windscreen offers a clear view of the sky above. When the roof is closed, the multiple layers in the soft-top provide a high level of sound insulation.

THE NEW MINI CLUBMAN.

Model shown: The new MINI Clubman Cooper S Exclusive with optional Indian Summer Red exterior paint, roof and mirror caps in black, Piano Black Exterior and 18" Multiray Spoke alloy wheels.

The new MINI Clubman is the most charming and sophisticated MINI we've ever made. It's a step up in size – and in functionality. We've designed a roomy interior crafted from top-quality materials and packed full of the latest innovations. And with its six doors – including split rear doors – and seating for five, it's the perfect saloon for long and short trips. The new MINI Clubman includes an extremely high level of standard equipment such as LED headlights, rear lights and fog lights.

STANDARD EQUIPMENT HIGHLIGHTS.

- LED headlights, rear lights and fog lights
- Navigation Pack, including:
 - MINI Navigation system with 6.5" display
 - Real Time Traffic Information (RTTI)
 - Apple CarPlay
 - Remote Services
 - ConnectedDrive Services (including Online Search and Weather Information)

THE MINI COUNTRYMAN.

Model shown: MINI Countryman Cooper S Exclusive with optional Island Blue exterior paint, roof and mirror caps in black, 19" Edged Spoke alloy wheels in silver and LED headlights with cornering lights.

The MINI Countryman is a versatile, five-seater Sport Activity Vehicle that's more comfortable than ever. As big as it feels on the inside, the Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. It's just under 4.3 metres long, which means it has some serious luggage capacity in addition to ample legroom. The MINI Countryman also comes equipped with standard features you might expect to be optional. With powerful engines and optional ALL4 all-wheel-drive, it tackles even the trickiest terrain with ease. So what are you waiting for? The world won't explore itself.

STANDARD EQUIPMENT HIGHLIGHTS.

- Navigation Pack, including:
 - MINI Navigation system with 6.5" display
 - Real Time Traffic Information (RTTI)
 - Apple CarPlay
 - Remote Services
 - ConnectedDrive Services (including Online Search and Weather Information)
 - Intelligent emergency calling (E-call)
- Roof rails

ADVENTURE IS WAITING.

The best views are at the top, and ALL4 gets you there. The optional intelligent all-wheel-drive system¹ provides optimal traction and maximum stability when you need it, down dirt tracks, cobbled streets or even across the snowy plains. Now you can really run wild.

Model shown: MINI Countryman Cooper S Sport with optional Chili Red exterior paint, roof and mirror caps in black and LED headlights with cornering lights.

Model shown: MINI Countryman Cooper S Exclusive with optional Island Blue exterior paint, roof and mirror caps in white, MINI Yours British Oak illuminated interior style and MINI Activity Pack.

THE ONLY THING THAT SHOULD STOP YOU IS THE VIEW.

In the MINI Countryman, the only thing that's going to stop you is the view. Luckily there's a cushioned picnic bench available as part of the optional MINI Activity Pack² for moments just like these. Just pull it out from beneath the loading shelf and soak up the sunset.

The loading shelf, fastening straps and lashing eyes in the storage compartment pack (available as part of the optional Comfort Pack or Comfort Plus Pack) keep luggage in place and ensure optimal weight distribution. The storage compartment pack also comes with extra LED lights and a 12-volt socket – perfect for powering a cool box.

¹ The ALL4 all-wheel-drive is an intelligent torque vectoring system that maximises traction on virtually any surface. Its electrohydraulic multi-disc clutch is linked to Dynamic Stability Control and smoothly varies the amount of drive torque distributed from the MINI TwinPower Turbo engine to the front and rear axles according to the driving situation.

² The MINI Activity Pack includes a larger-capacity Fuel Tank, automatic operation of tailgate, a luggage compartment separating net, rear seat adjustment and a picnic bench.

THE MINI COUNTRYMAN PLUG-IN HYBRID.

Model shown: MINI Countryman Plug-in Hybrid Classic with optional Melting Silver exterior paint, roof and mirror caps in black, 18" Pin Spoke alloy wheels in black and LED headlights with cornering lights.

The MINI Countryman Plug-in Hybrid combines an electric motor and battery with a conventional petrol engine to offer drivers the best of both worlds with a total output of 224 hp enabling thrilling acceleration from 0 to 62 mph in 6.8 seconds. The e-motor backs up the petrol engine via the boost function and enables electric all-wheel-drive. The central display ❶ shows the power distribution between the two engines. A combi display ❷ replaces the rev counter, and shows the available power. The battery can be charged both during the journey and externally using the supplied cable ❸.

STANDARD EQUIPMENT HIGHLIGHTS.

(in addition to MINI Countryman Cooper S standard equipment)

- Automatic transmission
- High voltage battery and electric motor
- AC charging (charging flap on front left lower A-panel)
- AC home charging cable
- Central display (showing engine power distribution) and combi display (showing available power)
- ALL4 Electric (rear axle powered by electric motor and front axle powered by combustion engine)
- Chargeable battery during driving
- eDrive button (change the powertrain preference to AUTO eDRIVE, MAX eDRIVE or SAVE BATTERY)
- MINI Driving Modes (centre toggle switch to control driving mode settings: Sport, Mid, Green; allows adaption to different driving situations and ensures a high driving efficiency and the best electric range)
- Preconditioning (remotely heat or cool the vehicle prior to departure through the MINI Connected app)

The MINI Countryman Plug-in Hybrid is available in Classic, Sport or Exclusive style, for more information about the equipment available with each style please see pages 50-51.

PERFORMANCE:

Petrol engine	Electric motor	Combined	
– Max. output: 136 hp	– Max. output: 95 hp	– System output: 224 hp	– 0-62 mph:
– Max. torque: 220 Nm	– Max. torque: 165 Nm	– System torque: 385 Nm	6.8 seconds

BATTERY:

- Battery type: Lithium-Ion
- Battery capacity (high voltage): 34 Ah

RANGE AND CONSUMPTION¹:

- WLTP All Electric Range: 26.1 – 28.6 miles
- WLTP Equivalent All Electric Range: 29.8 – 31.7 miles
- Fuel consumption (weighted combined): 141.2 – 156.9 mpg (2.0 – 1.8 l/100 km)
- Electric energy consumption (weighted combined): 4.0 – 4.1 miles/kWh (15.7 – 15.0 kWh/100 km)
- CO₂ emissions (weighted): 45 – 43 g/km

CHARGING²:

Home charging (AC)		
With occasional home charge cable (3 pin plug)	2.3 kW	3.8 hours ³
With Wallbox	3.7 kW	2.4 hours ⁴
Public charging (AC)		
With AC public charging	3.7 kW	2.4 hours ⁴

¹ Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were obtained using a combination of battery power and fuel. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. All figures were determined according to a new test (WLTP). The CO₂ figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedure. ² Charging time corresponds to an 80% charge. ³ A 100% charge is achieved in 5.0 hours. ⁴ A 100% charge is achieved in 3.2 hours.

THE NEW MINI ELECTRIC.

MINI ELECTRIC

5.5" Digital Dash

Model shown: The new MINI Electric with Energetic Yellow mirror caps and front grille blade, black roof and 17" MINI Electric Corona Spoke alloy wheels in two-tone.

An icon reimagined – the first fully electric MINI is here as MINI celebrates its 60th anniversary. Innovation has always been at the heart of what we do, and we are once again taking a leap forward with the introduction of the MINI Electric, set for worldwide market launch in March 2020. The new MINI Electric is the best of both worlds, giving you the iconic character of MINI with all the benefits of going electric. Following its ground-breaking launch in 1959, MINI established itself as the definitive go to small car and the MINI 3-door Hatch is now the first available with a fully electric powertrain. Emitting zero emissions, the new MINI Electric is the perfect combination of sustainable driving, thrilling driving performance and iconic MINI design. The new MINI Electric is reinventing urban life. Putting the smart into sporty, every inch of this car has been specially developed to improve performance. The perfectly streamlined design balances weight and agility, resulting in optimised aerodynamics. This is head turning efficiency. This is the electric car that gets people talking. Pre-orders are now available, for more information please contact your local MINI Retailer or visit mini.co.uk

STANDARD EQUIPMENT HIGHLIGHTS.

EXTERIOR:

- LED lights (front and rear)
- Choice of solid or metallic exterior paint colours
- Choice of 16" or 17" alloy wheels
- MINI e-badge
- Unique aerodynamically enhanced front and rear bumpers
- Front grille with unique MINI Electric design and tailgate handle in Vigorous Grey

INTERIOR:

- Double Stripe cloth upholstery in Carbon Black
- Sport leather steering wheel
- Design highlights in Energetic Yellow
- Black Chequered interior surface
- Carbon Black Colour Line

INFOTAINMENT:

- MINI Navigation System with 6.5" display

- MINI Connected
- Real Time Traffic Information (RTTI)
- Apple CarPlay
- Remote Services
- ConnectedDrive Services (including Online Search and Weather Information)
- Intelligent emergency calling (E-call)
- MINI Teleservices
- e-Drive services (ability to initiate charging, monitor charging status and locate public charging stations)

FUNCTIONAL EQUIPMENT:

- Fully digital display cockpit (5.5" digital instrument cluster integrated into a larger display set behind the steering wheel)
- Automatic dual zone air conditioning
- AC and DC charging
- AC home (occasional 3 pin plug) and AC public charging (type 2) cables

- Electric parking brake
- Automatic transmission
- MINI Driving Modes (centre toggle switch to control driving mode settings: Sport, Mid, Green, Green+; allows adaption to different driving situations and ensures a high driving efficiency and the best driving range)
- Two levels of power regeneration (energy recovery toggle which allows the driver to alter the severity of automatic braking when releasing the throttle by changing the amount of energy being regenerated when coasting)
- Heat pump (allows excess heat from motor to be utilised for heating cabin space when required, rather than utilising battery power to maximise efficiency)
- Preconditioning (remotely heat or cool the vehicle prior to departure through the MINI Connected app)
- Acoustic protection
- Cruise control with brake function
- Front and rear ISOFIX child seat attachment
- Rain sensor and automatic headlight activation

PERFORMANCE¹:

- Max. output: 184 hp
- Max. torque: 270 Nm
- 0–62 mph: 7.3 seconds

BATTERY¹:

- Battery type: Lithium-Ion
- Gross battery content (high voltage): 32.6 kWh
- Battery capacity (high voltage): 93.2 Ah

RANGE AND CONSUMPTION^{1, 3}:

- WLTP Range: 134 – 145 miles
- Electric energy consumption (weighted): 3.7 – 4.1 miles/kWh (16.6 – 15.2 kWh/100 km)
- CO₂ emissions (weighted): 0 g/km

CHARGING^{1, 2}:

Home charging (AC)		
With occasional home charge cable (3 pin plug)	2.1 kW	12 hours
With Wallbox	7.4 kW	4 hours
Public charging (AC/DC)		
With AC public charging	11 kW	2.5 hours
With DC rapid charger	50 kW	35 minutes

¹ All figures are provisional and not yet confirmed at the time of publishing, for more information please contact your local MINI Retailer. ² Charging time corresponds to an 80% charge. ³ Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were obtained after the battery had been fully charged. The new MINI Electric is a battery electric vehicle requiring mains electricity for charging. The electric range was determined according to a new test (WLTP). Only compare electric range figures with other cars tested to the same technical procedure.

JOHN COOPER WORKS.

THE MINI HATCH AND CONVERTIBLE JOHN COOPER WORKS.

What brings out the best in us? Like any competitor in the arena, it's a desire to be better than before. This passion for excellence without equal is something you'll notice every time you get behind the wheel of a MINI John Cooper Works. You'll feel like a champion on every road.

Models shown: MINI Hatch John Cooper Works and MINI Convertible John Cooper Works, both with optional Rebel Green exterior paint, roof (not on Convertible) and mirror caps in red, John Cooper Works bonnet stripes and 18" John Cooper Works Cup Spoke alloy wheels in two-tone.

Discover the MINI Hatch John Cooper Works and the MINI Convertible John Cooper Works.

Powerful and competitive, the MINI John Cooper Works is a challenger. Performance is paramount and superior style a given. Available as stand-alone offering, meaning they come with their own engine and style, the John Cooper Works models are packed with enhanced standard specification including John Cooper Works features inspired by the Mini racing heyday, giving you all you need for higher output on the road.

Both models come with standard Sport Suspension for optimal road-holding as well as standard John Cooper Works aerodynamic kit. The rumble of the John Cooper Works sport exhaust is an extra treat for your ears – especially in the MINI Convertible John Cooper Works when driving with the top down.

JOHN COOPER WORKS 306HP.

THE NEW MINI CLUBMAN AND COUNTRYMAN JOHN COOPER WORKS 306HP.

Models shown: The new MINI Clubman John Cooper Works 306hp and the new MINI Countryman John Cooper Works 306hp, both with optional Rebel Green exterior paint, roof and mirror caps in red, John Cooper Works sport stripes in red and 19" John Cooper Works Circuit Spoke alloy wheels in two-tone.

The MINI Clubman and MINI Countryman John Cooper Works return with 306hp.

The new MINI Clubman John Cooper Works 306hp combines fascinating extremes and sophisticated style. It has 6 doors, it's stylish and a lot of fun to drive. It cuts an imposing figure too, but slips smoothly through the oncoming wind thanks to the standard John Cooper Works aerodynamic kit. Impressive performance, unique design and versatility – it's all here.

The new MINI Countryman John Cooper Works 306hp is the ultimate Sport Activity Vehicle, blending exceptional capability with inspired driving wherever it goes. The standard ALL4 all-wheel-drive provides exciting off-road abilities to go with its powerful forward thrust and extreme traction – just in case you find yourself off paved roads and really want to hit the accelerator.

SAFETY RUNS IN THE FAMILY.

You can never be too secure. That’s why every MINI is packed with safety features as standard, including Dynamic Stability Control and the latest generation Antilock Braking System.

CRASH-TEST GENIUS.

In the event of an impact accident, doors unlock, interior and hazard lights turn on and the fuel pump shuts down. When a car can think for itself in the event of an accident, you know it’s pretty brilliant.

INTELLIGENT EMERGENCY CALLING (E-CALL).

If necessary or in an emergency, E-call establishes a connection to emergency and rescue services through a Call Centre. The vehicle’s current location is transmitted along with additional data depending on the severity of the accident.

STANDARD SAFETY FEATURES

Intelligent emergency calling (E-call)

3-point seat belts, in all seats, including belt stopper, pyrotechnic belt tightener and belt force limiter in front

Airbags for driver and front passenger, 8 airbags as standard; 2 front, 2 side and 4 head airbags

Antilock Braking System (ABS) including Cornering Brake Control (CBC)

Autonomous Emergency Braking (AEB) system* including Forward Collision Warning (FCW) and City Collision Mitigation (CCM)

Dynamic Brake Lights

Crash sensor, for airbag deployment and activating hazard warning flashers and interior light, unlocking the doors and activating fuel cut-off

Dynamic Stability Control (DSC), including Automatic Stability Control + Traction (ASC+T), Electronic Brake Force Distribution (EBD), Brake Drying and Hill Assist

Dynamic Traction Control (DTC) with Electronic Differential Lock Control (EDLC)

Fuel pump with automatic cut-off in crash situation

Tyre Pressure Warning System (TPWS), passive monitoring of all 4 wheels with status indicator light

Model shown: The new MINI Clubman Cooper S Exclusive with optional Indian Summer Red exterior paint, roof and mirror caps in black, Piano Black Exterior and 18" Multiray Spoke alloy wheels.

* Only standard on MINI Clubman and MINI Countryman models.

GENUINE MINI ACCESSORIES.

Showcase your personality, add a range of Genuine MINI Accessories to enhance the look and feel of your vehicle or create motorsport flair by accessorising your MINI with optional John Cooper Works Accessories. Your local MINI Retailer will have everything on hand for both new cars and retrofitting to your current MINI.

OUR RANGE OF ACCESSORIES INCLUDE:

- Alloy Wheels
- JCW Aerodynamic Components
- Mirror Covers
- Side Scuttles
- Bonnet, Side and Roof Decals
- Technology and Lighting
- Travel Solutions

Genuine MINI Accessories
mini.co.uk/accessories

1. Night Jack Mirror Covers

2. 17" JCW Multi Spoke 505 in Jet Black

For further information of the MINI Accessories range available to you, including pricing, please view our accessory brochures at mini.co.uk/accessories/brochures

MINI YOURS CUSTOMISED.

The future is here. Take personalisation of your MINI to the next level using the latest technology, including 3D printing and laser lettering. You can design selected components for your MINI, and your designs will then be produced exclusively for you.

To achieve this, we employ innovative production procedures to offer you the individual manufacture of MINI Side Scuttles, Dashboard Trim, Illuminated LED Door Entry Strips and LED Door Projectors.

MINI Yours Customised offers you the chance to make your MINI unique. We've always valued individualisation and creativity, and now there is even more opportunity than ever to design and customise.

1. MINI LED Door Projectors Customised*

2. MINI LED Door Entry Strips Customised*

3. MINI Side Scuttles Customised*

4. MINI Dashboard Trim Customised*

You can either fit the MINI Yours Customised products yourself, or have them installed at a MINI Centre. Don't hesitate to contact your local MINI Retailer for more information.

The products are only available and configurable directly via the MINI Yours Customised web-shop, for more information please visit mini.co.uk/customisable-accessories

MINI Yours Customised is not specific to MINI UK; this unique product offering is available to customers throughout the world and the web-shop is a global site used worldwide, therefore you will be charged in Euros.

If you have any questions, please contact the Customer Centre:
E-mail: yours-customised@mini.com Telephone: +49 89 125 016 141

* Some features are only available on selected models or may require retrofitting your MINI, please speak to your MINI Retailer for more details.

THE MINI CHALLENGE.

The MINI CHALLENGE is the championship for the MINI in the UK, enjoying great grids, colourful cars and close racing.

Over the years the MINI CHALLENGE has built a reputation for affordability, fairness and fun, and benefits from being the only championship to enjoy the support of MINI UK.

In the 60th anniversary of MINI, 2019 will see a continuation of the format that has made the MINI CHALLENGE one of the strongest one-make racing formula in the UK. There will be 13 events around the UK, stretching from Oulton Park in Cheshire to Brands Hatch in Kent, that will see upwards of 60 cars compete in 4 classes. The top 265 BHP JCW Class will enjoy 17 races over 8 events, with 6 events again supporting the prestigious British GT Championship. The Cooper Am, Cooper Pro and Cooper S Classes will enjoy 18 races over 7 events including the fun for all the family MINI FESTIVAL*.

Looking forward to 2020, the MINI CHALLENGE will move to be part of the biggest car racing events in the UK by supporting British Touring Cars on 10 weekends around the UK. The BTCC package receives unrivalled Live ITV 4 coverage reaching over 1 million viewers and with over 400,000 spectators watching at race circuits. In 2020 the MINI CHALLENGE will therefore be bigger than ever.

Don't miss the races, check out the MINI CHALLENGE 2019 calendar*:

JCW CLASS 2019 CALENDAR

Round 1: 20-22 April – Oulton Park International (BGT/F3)

Round 2: 18-19 May – Snetterton 300 (BGT/F3)

Round 3: 08-09 June – Silverstone GP (BGT/F3)

Round 4: 22-23 June – Donington Park GP (BGT/F3)

Round 5: 20-21 July – Brands Hatch Indy (MINI FESTIVAL)

Round 6: 03-04 August – Brands Hatch GP (BGT/F3)

Round 7: 14-15 September – Donington Park GP (BGT/F3)

Round 8: 19-20 October – Snetterton 300 (MSVR)

CO ₂ emissions (g/km)	123-114 [116-109]	122-115 [116-109]	147-139 [128-120]	[122]	162-157 [142-137]	[0] [‡]

Dimensions

Length ¹ (mm)	3821	3821	3850	3850	3874	3845
Width incl. door mirrors (mm)	1932	1932	1932	1932	1932	1932
Vehicle height (mm)	1414	1414	1414	1414	1414	1432
Fuel tank capacity (litres)	40	40	40	40	40	n/a [†]
Luggage capacity ² (litres)	211-731	211-731	211-731	211-731	211-731	211-731

^{*} Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. All figures were determined according to a new test (WLTP). The CO₂ figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedure. Figures vary within the range depending on the style selected and the optional equipment fitted.

[†] All figures for the new MINI Electric are provisional and not yet confirmed at the time of publishing, for more information please contact your local MINI Retailer.

[‡] The new MINI Electric is a battery electric vehicle requiring mains electricity for charging.

¹ Sport models are slightly longer due to the John Cooper Works aerodynamic kit fitted as part of the standard equipment.

² Luggage capacity varies depending on whether the rear seats are up or folded down.

All figures relate to vehicles with 6-speed manual transmission. Figures in [] relate to vehicles with automatic transmission.
