- **MINIBUS BASE:** with internal trim, clima, specific floor for tailored professional passenger mobility.

INGENIOUS MOVER

TALENTO

The **TALENTO** is the ingenious solution for moving everything and everyone your business needs to. In fact, its huge versatility in urban and non-urban contexts makes all the difference in running a successful business, whether it's about moving goods or passengers. All of this is possible thanks to its amazing compactness and agility, its flexibility and adaptability.

THE TALENTO COMBI

When your work calls, the Talento answers with optimal solutions. The **PEOPLE MOVER** is your perfect Talento: it can be a family car or a shuttle service for passengers at the same time. Easily take advantage of its excellent load compartment of 1.0 m³ in short wheelbase versions and 1.8 m³ in long wheelbase versions. Professional and amateur athlete teams can use the Talento's skills to arrive in great shape for their competitions.

THE COMFORT OF TECHNOLOGY

Nowadays, technology is fundamental for every single business, and the **TALENTO** has plenty of it. The Keyless Entry/Keyless GO was carefully thought out for the busy hands of a hard worker, and parking the **TALENTO** is now easier with its integrated radar parking and rear camera with interior mirror imaging. Completed with the ViewPlus Mirror, that reduces the blind spot and improves the lateral view, and its full media integrated **7" TOUCHRADIO NAV.**

ENGINES

The **TALENTO** is powered by a full range of **EURO 6** engines, including the reliable TwinTurbo engine, with Traction + system and ESC with hill holder: so you can work anywhere you need. A reliable, powerful and cost-effective engine that delivers up to 145 HP. The perfect aid for your work, with high performance and low consumption.

EURO 6 ENGINES

- 1.6 ECOJET S&S/MULTIJET, 95 HP
- 1.6 MULTIJET, 120 HP
- 1.6 ECOJET S&S 125 HP
- 1.6 ECOJET S&S 145 HP

THE TALENTO VAN

You can easily load large objects from both the side and rear doors, and load up to 1.2 tons: there's space for 3 Euro pallets (starting from short wheelbase/low roof) and for the transport of longer objects. You can easily carry them with the **CARGOPLUS** version – an elegant opening underneath the passenger's seat will allow you to fit up to 4.15 m of objects, such as plastic pipe. It comes with huge interiors space and a wide load compartment, up to 8.6 m³. If you need to carry goods together with your team, you can choose the **TALENTO CREW CAB**, with 5/6 seats and up to 4.0 m³ in the load compartment.

VERSATILE PERFORMER

DOBLÒ

With an even more functional and comfortable work environment, the style of a car, better performances and increased productivity thanks to its low running costs, the **DOBLÒ CARGO** has been designed to add value to the work of every professional.

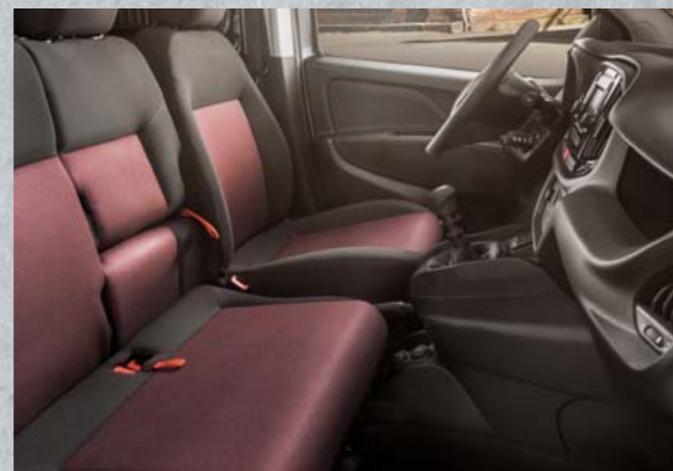

The **DOBLÒ CARGO** offers the widest range in the segment. Vans for goods transport and Combi for goods and people transport (both with two height variants and two lengths). The **DOBLÒ WORK UP** is the ideal pick-up for all occasions, and finally the Chassis cab with platform, in two lengths, for creating the vehicle best suited to your professional needs.

The **DOBLÒ CARGO** has been thought to be at the top of the category in terms of performance and ergonomic solutions, as demonstrated by the regular shape of the load compartment, the convenient handles (both vertical

external and “pullcup” internal), practical 180° rear door opening and the sliding side door, which, thanks to its wide opening, permits access to the load compartment even in tight spaces. The volume of more than 5 m³, the load capacity of more than 1 ton and the internal length up to 3.4 m make the **DOBLÒ CARGO** perfect for any use.

The **DOBLÒ CARGO**, thanks to its bi-link suspension, improved gearbox and clutch and a wide range of engines, ensures smooth and comfortable driving, no matter the situation.

EURO 6 ENGINES

The 1.3 liter and 1.6 liter turbodiesel engines offer enhanced torque response, higher at low revs (on the 1.3 MultiJet₂ an increase of 40% approx.) and consequently with greater flexibility and quicker engine response times. The 1.3 and 1.6 MultiJet₂ engines are also available in the **ECOJET** version.

THE DOBLÒ COMBI

The **DOBLÒ COMBI** is the most intelligent solution for your team, with 5 comfortable seats and a load capacity up to 425 kg. The ideal vehicle for transporting both people and goods, available with a short wheelbase, in Maxi and XL versions.

URBAN WORKER

FIORINO

FIORINO is compact, agile and able to get anywhere, starting today it's even more special and representative of a category that it has proudly pioneered. It combines a commercial vehicle soul with a car look, together with new features to top its category for performance, comfort and functionality, load capacity and reduced running costs. Perfect in urban missions, nimble in traffic, easy to drive and park, the ideal vehicle for door to door deliveries. The Cargo Van transports all types of goods and the Combi transports up to 4 or 5 people and luggage. Whatever your road may be, **FIORINO** is ready to follow it.

FIORINO combines its unique design with a load compartment volume up to 2.8 m³ and easy access thanks to the wide sliding side door with ergonomic vertical handles, to help you take charge of all your tasks. But the advantages do not end there, **FIORINO** has everything it takes to do a great job: capacity up to 660 kg, a regular square shape and 180° rear door opening which grants easy and convenient access to the loading bay and a load threshold height of just 527 mm. Finally a 9.95 m turning circle to provide you great handling.

EURO 6 ENGINES

Agility is key in the city. **FIORINO** comes with a full range of Euro 6 engines, the most complete offer in the segment. The Diesel MultiJet₂ engine is marked by great driving satisfaction, excellent performance, low running costs and environmental sustainability. Saving is also the key. **FIORINO** introduces the new EcoJet version that offers a considerable reduction in terms of fuel consumption and emissions level, with a saving up to 14%. **FIORINO** is also available with the Comfort-Matic robotized gearbox (MTA).

PROFESSIONAL

CARE

VEHICLE WARRANTY

Fiat Professional is a trading name of Fiat Chrysler Automobiles, guarantees your vehicle against manufacturing faults for a period of 24 months from the date of first registration and without mileage limits. Under this Warranty, the Dealer must repair components which are defective due to a manufacturing defect by replacing them with genuine Fiat Professional spare parts or reconditioned Fiat Professional parts free of charge. Operations under Warranty carried out by a Fiat Professional Dealership include:

- repair or replacement of the faulty component
- labour needed for the replacement or repair
- supply of consumable materials needed to carry out the repair under Warranty.

You have the benefit of roadside assistance for the duration of the Warranty.

Paintwork Warranty

The vehicle is warranted against manufacturing defects of the paintwork for a period of 36 months from the date of first registration. The Warranty provides for the total or partial repainting of the vehicle to the extent necessary and elimination of any ascertained fault according to the Manufacturer's standard conditions.

Perforating rust Warranty

The structural elements of the bodywork are warranted against perforations caused by rust, when it occurs from the inside out. The Warranty provides for the repair and/or replacement of any original, bodywork structural element damaged by perforating rust and is valid for 8 years from date of first registration. The Warranty does not cover defects caused, wholly or partly, or aggravated by the failure to carry out scheduled servicing required by the Manufacturer at the frequency indicated in the Owner Handbook. Any faults found and not covered by Warranty will be recorded on the body inspection certificates when Schedule Servicing coupons are carried out. Please check the specific conditions of the coverages in your warranty booklet.
